BUILDING CORPORATE PARTNERS

Corporate Giving Program

The Crockett Foundation (CF)– a Broward County-based non-profit organization - has positively impacted the lives of thousands of children since its inception in 2002. It's afterschool programs focus on math, reading, health and technology for middle-school students.

With the help of generous sponsors like you, we have helped more than 1,000 students in our local community graduate from high school with better grades and a more positive outlook on life.

The Crockett Foundation focuses on key initiatives for middle-school students. Programs are designed around attendance, behavior, and course-performance with an emphasis on technology.

The Crockett Foundation reserves its corporate partnership opportunities for companies, like yours, who we believe will benefit most by associating your brand with our local community – thus furthering your business goals. When you partner with us you will:

- Play a role in the success of events that attract the most influential members of our local community – including top business leaders, professionals, and philanthropists.
