CROCKETT FOUNDATION
inspiring youth

Tis' the Season of Gratitude

This month we wanted to extend a heartfelt thank you to all the individuals and organizations that have supported the Crockett Foundation. Some have donated their time, others their talent, still others their resources; yet, all have given from the heart. As a result, our youth development and coding/innovation programs have grown exponentially. We, at the Crockett Foundation, are humbled by your sense of generosity and appreciative of the confidence and trust you have in our mission. Here's to 2024!

Crockett Kids can Cook

This month, our youth development programs got a serving of instructions on cooking and nutrition. Featuring Chef Steven from Kids Can Cook, Crockett kids tried their hands at making scrambled eggs, sweet potato pancakes, and some eclectic desserts. They also received lessons on nutrition so they can make better decisions when choosing what to eat. It was a great time had by all.

2023 Fall Programs
